

Kwik-dry

Why Kwik-dry Hand Dryer:

- ✓ Improved cleanliness: It contributes to a cleaner washroom, avoids littering of paper towels.
- ✓ Hygienic: It offers the ultimate in sanitary protection. There is no handle to turn or button to push. The hygienic no-touch operation helps control the spread of infectious diseases.
- ✓ Labour Savings: It is virtually maintenance-free. No refilling of paper towels, no emptying of waste receptacle is required.
- ✓ Economical: Automatic operation & quick hand drying provides energy saving, it cuts-off automatically for extra safety & eliminates wastage.
- ✓ Reduced Vandalism: It eliminates vandalism that often present with paper towels around. Towels clog toilet bowls & basins, are set aflame, and are thrown wet on to walls and floors.
- ✓ Always on Duty: It is ready for action 24hours a day.
- ✓ Easy to Install: Just connect to power supply and the dryer is ready for immediate use.
- ✓ Stylish Design: Rounded casing prevents objects such as cigarettes & tissue paper from being deposited on the device
- ✓ Reliable & Long-lasting: Strong and reliable fan motor provides maintenance free usage.
